

8.48—CLASSIFIED PERSONNEL DUTY TO MAINTAIN LICENSE IN GOOD STANDING

The District has several classified positions that require the individual employed in that position to hold a license or certification. The failure of an employee in such a position to keep the employee's license or certification in good standing places the District at risk of being determined to be operating in violation of Arkansas or Federal law. Classified employees who are required to hold a license or certification as part of their position are required to maintain their license or certification in good standing. A classified employee who is required to hold a license or certification as part of the employee's position who fails to maintain their license or certification in good standing may be disciplined, up to and including termination.
